

Farmhouse and Artisan Cheese & Dairy Producers European Network

**21 countries together for the
defense and recognition of
farmhouse and artisan cheese &
dairy producers in Europe!**

Who do we represent?

Farmhouse cheese and dairy producers: process milk from at least the majority of their own livestock according to traditional methods.

Artisan cheese and dairy producers: collect milk from local farmers and process it in small structures according to traditional methods.

The milk can come from cows, sheep and goats.

FACEnetwork today

- 43 members in 21 European countries
- Including 22 producers associations from 18 different countries (blue on map).
- Other members are technical and research centers, universities and companies.
- **> 4 000 producers directly represented**
