Who are we?

- **OPG Zadavec** – a family dairy farm with a century-long tradition
- The estate is run by **two sisters** and **their families**, ensuring continuity, teamwork, and dedication to **quality**
- **Our activities:**
 - Crop farming,
 - Livestock breeding,
 - Cheesemaking,
 - Rural tourism,
 - Accommodation and tourist services
- Focus on sustainable tourism and ecology, with modern features such as a padel court, children's playground and solar power plants

Our tradition

- Family tradition **dating back to the 1920s**
- Knowledge and skills preserved through four generations
- **A combination of traditional and modern** approaches to agriculture, cheesemaking and tourism

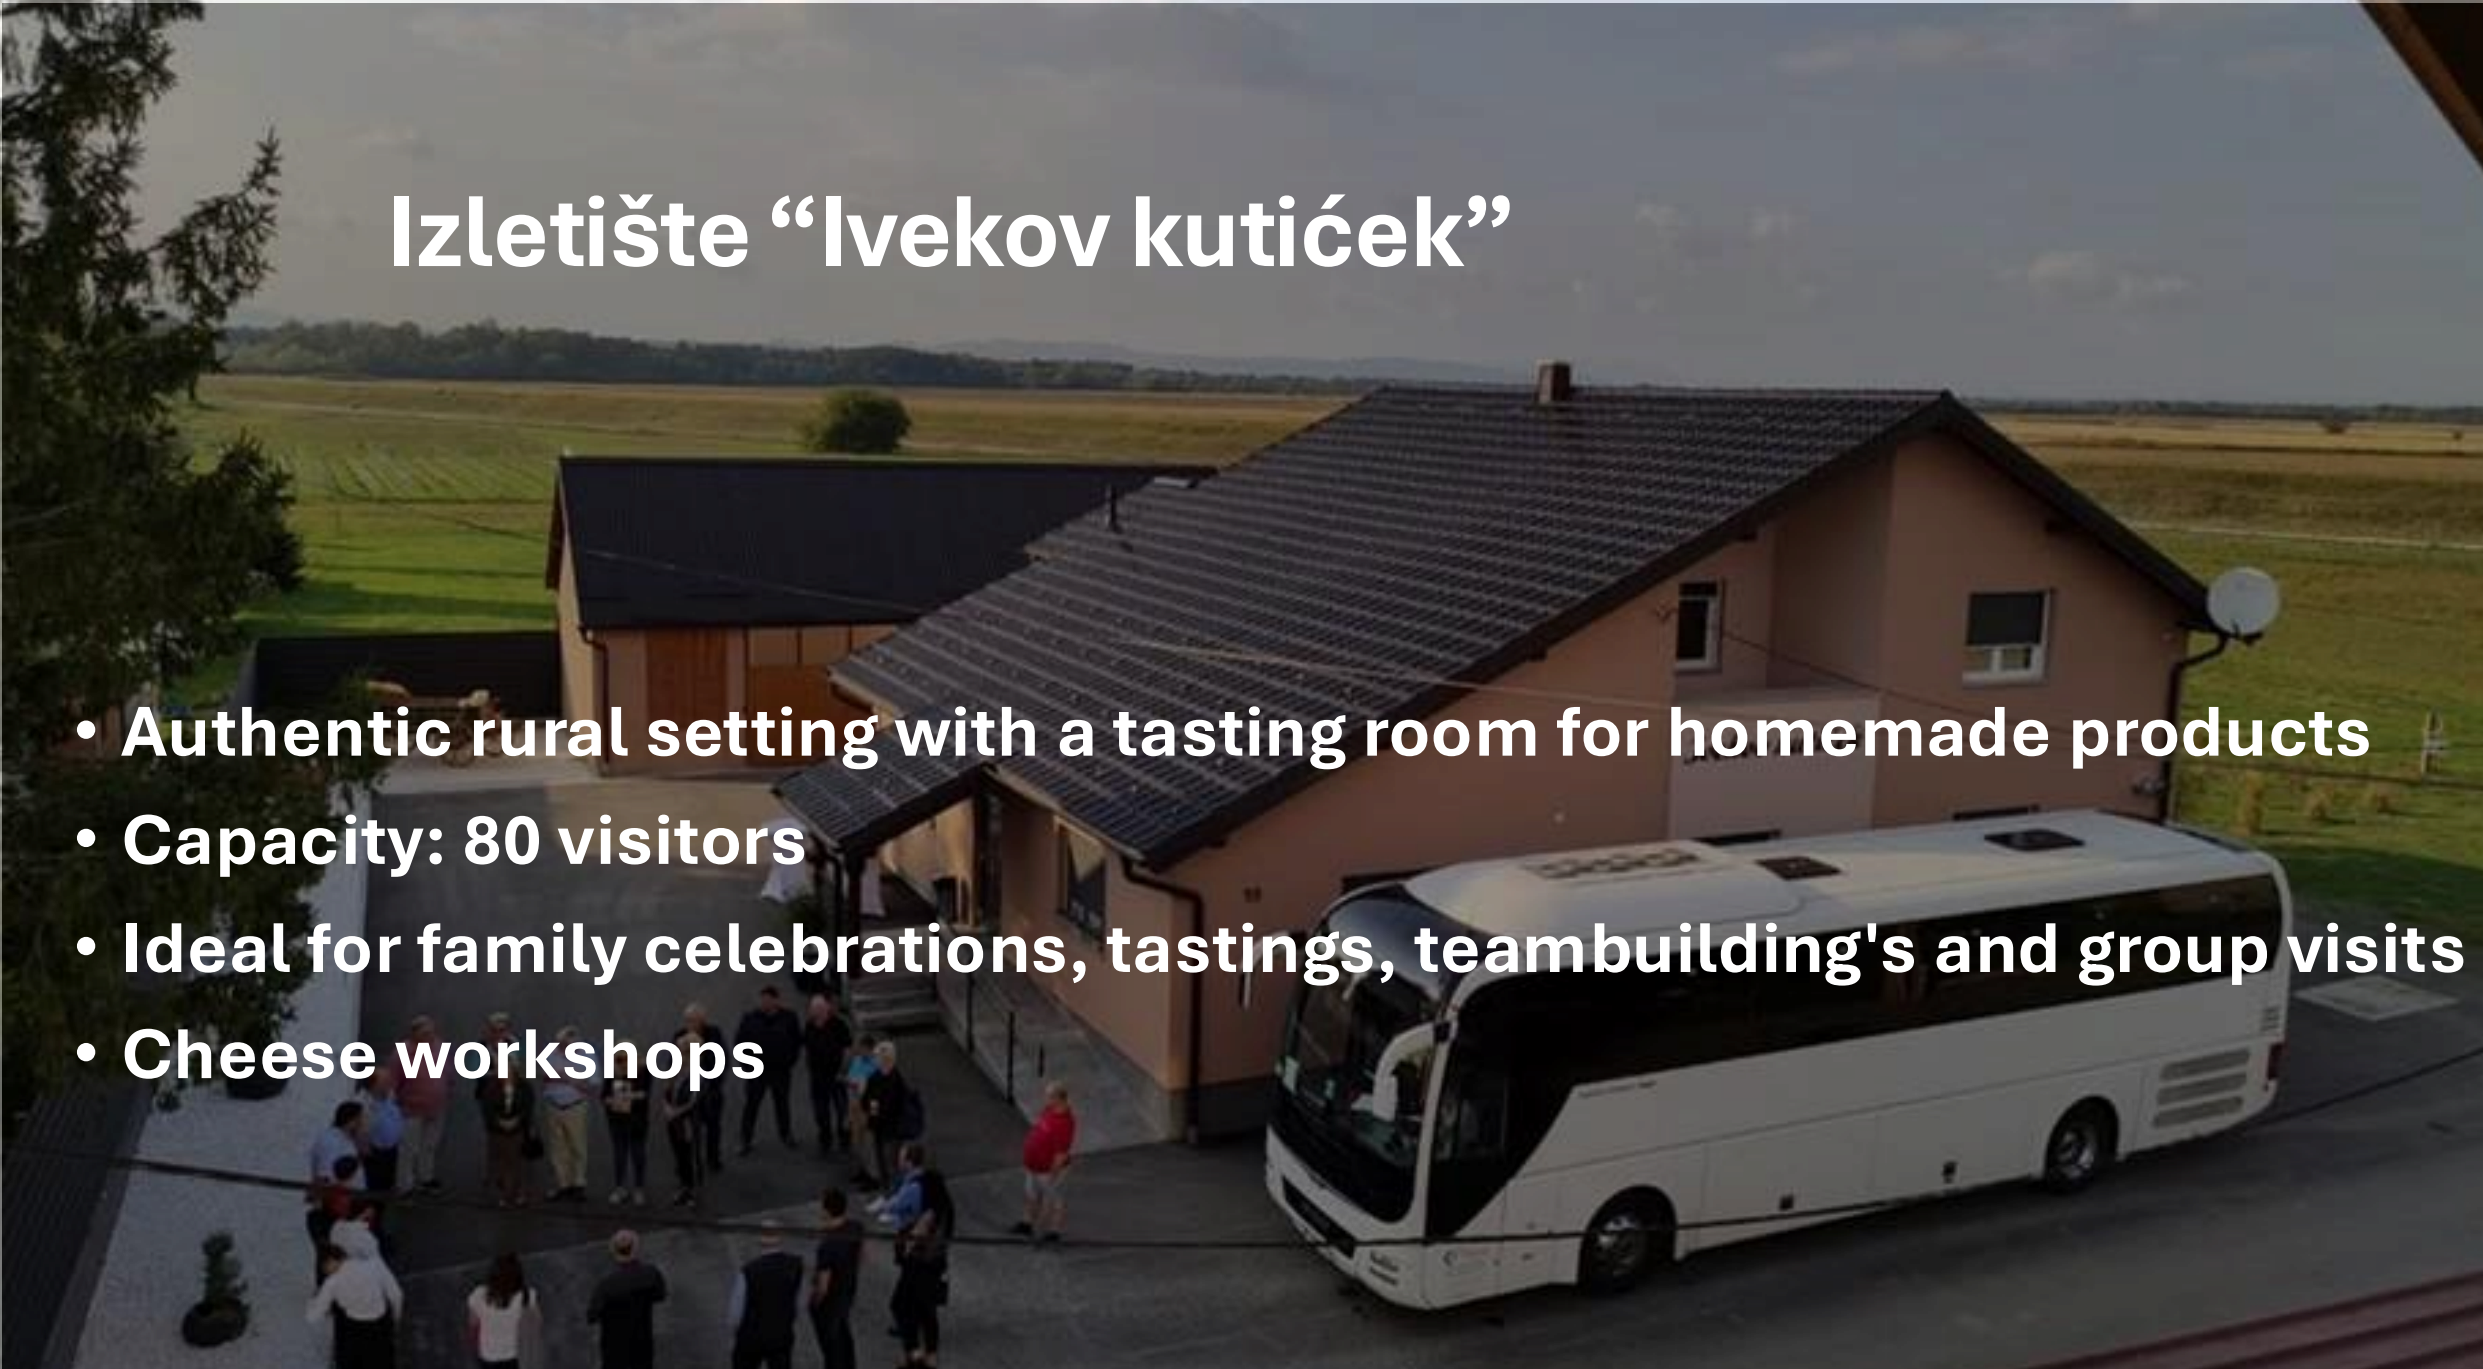

“From field to table” production

- Crop farming:
 - Cultivated land: 35 ha
 - Growing oats, corn, wheat, barley, forage and haylage for our own cows and calfs
- Milk production and processing:
 - Number of cattle: 28
 - 300 L daily
 - Products: fresh and semi-hard cheeses, yogurts, and sour cream

Izletišče “Ivekov kutiček”

- Authentic rural setting with a tasting room for homemade products
- Capacity: 80 visitors
- Ideal for family celebrations, tastings, teambuilding's and group visits
- Cheese workshops

**Homemade food for our guests (ours cheeses,
meat, vegetables, strowberry, bread, pastries...)**

Products that we do not produce we buy from other farmers

Accommodation and hospitality offer

- Accommodation capacity for **12 people** in a modern and comfortable apartmants
- Home-style cuisine prepared from our **own products**
- Suitable for family tourism, weekend stays, and educational programs

New development projects

- **Padel court** – sports, recreation, and fun for all ages
 - **Solar panels** – green energy for the dairy, tasting room and accommodation
-

Our networking, cooperation and awards

- **Active membership in cheesemakers, cattle, and tourism associations**
- **Cooperation with local and regional producers, restaurants and hotels**
- **Participation in events and training sessions**
- **Many awards that we won on republic and international competitions are just another proof of our product's quality and investments that we make to modernize our production**

Thank you for your attention
